**LOCATION**

The property is located on the south side of Green Lane in the heart of Kelham Island in Sheffield and forms part of the commercial space at the relatively new build Dun Works development.

The Sheffield Ring Road (A61) and Shalesmoor Tram Stop are a short distance away, making the building extremely accessible. There are also numerous bus routes close by providing access to a variety of locations in the city and further afield.

Kelham Island itself is a very popular residential location and is also the home to a variety of retail and leisure occupiers who service the area, as well as a number of office occupiers. Opposite the scheme is SALT with other notable businesses in close proximity including Domo, The Fat Cat, The Grind Café, Saw Grinders Union and Isabellas.

**DESCRIPTION**

There are four commercial units available in the building; three on the ground floor and one on the lower ground floor. Units 1 and 2 are accessed directly from Green Lane, while Units 3 and 4 are accessed from a courtyard inside Dun Works.

All four units are currently in 'shell' condition and would require a full fit before being ready for occupation. The units are regular in shape and are of an attractive size.
