LOCATION

The building is located on Carlisle Close, a popular industrial location, which is accessed directly off the Dronfield Bypass. Chesterfield town centre is situated approximately three miles to the south and Sheffield city centre approximately 10 miles to the north.

There is good access to Junction's 29, 29a and 30 of the M1 Motorway to the east and south east which links to the wider motorway network.

Other occupiers in the immediate vicinity include Gemini Accident Repair, Bodycote, M Markovitz and Sheepbridge Business Centre.

DESCRIPTION

The premises provide predominantly open plan warehousing space over the ground floor along with first floor ancillary accommodation which includes offices, WC's, meeting rooms and kitchen facilities. The eaves height at the apex is 7.2m, and 3.0m under the mezzanine.

There is a designated loading area with an electric roller shutter to the east of the site which is gated to provide a secure area. Staff and customer car parking is provided to the front of the premises.

The unit has been comprehensively refurbished. Spec available on request.
