LOCATION

Hatfields Park is situated approximately 1.5 miles from Sheffield city centre in the popular Sharrow Vale district, just off Ecclesall Road, one of the city's principal arterial routes.

The surrounding area is predominantly residential, with the property located within easy reach of the vibrant Sharrow Vale Road and Ecclesall Road amenities, offering a wide range of shops, restaurants, cafés and bars.

Notable nearby landmarks include Dyson Place, The Lescar, Nonnas and Lost & Found, together with a variety of independent retailers, as well as both Waitrose and M&S.

DESCRIPTION

An exciting opportunity to secure space within a newly redeveloped retail and leisure destination. Formerly occupied as a car sales showroom, the site is being comprehensively transformed into a vibrant multi-unit commercial park designed to accommodate a range of retail, leisure, food & beverage and service-led occupiers.

The scheme will provide seven self-contained commercial units of varying sizes, offering flexible accommodation suitable for both established operators and independent businesses seeking a prominent and accessible location.

The development benefits from extensive on-site customer and staff parking. Opportunities also exist for outdoor seating and customer breakout areas.

The redevelopment aims to create a modern and attractive commercial destination capable of serving both local residents and destination visitors alike, bringing new retail and leisure opportunities to this well-established area of Sheffield.

Further information plans and availability available upon request.
